Best 30 Diesel Engines in Clark, NJ with Reviews - YP.com

One of the first Clark engines to be built for use in the oil fields was a slow speed, horizontal steam engine. This old work horse was the mainstay of the business until 1905, when it was superseded by Clark's 'Bogart' gas engine, the Clark Corliss and the slide valve steam engine. A disastrous fire in 1912 destroyed the old plant at ...
