Half Life Shelley Jackson

Half Life is Shelley Jackson's debut novel, a work of twisted fiction with an equally convoluted style. The story is set in an alternate history where nuclear fallout caused a "Boom" that saw the births of many Siamese twins, with Nora and Blanche as our protagonists.

Half Life by Shelley Jackson - Goodreads

Shelley Jackson created a world that was so vivid I actually googled to see if there was an organization for conjoined twins. She also provided a fable which explains the fascinating random sunflowers by the side of desert highways. The only implausible parts of this story involved the dimensions of the dollhouse--my artist's brain refuted some ...
