Identical Strangers A Memoir Of

Identical Strangers: A Memoir of Twins Separated and Reunited by Elyse Schein and Paula Bernstein is a 2007 memoir of the author's lives after they were given up by their mentally ill mother. Separated as infants, part due to the belief that raising twins in different environments allowed each to develop independently of the expectation of being mirror imaged individuals.

Identical Strangers: A Memoir of Twins Separated and ...

Identical Strangers is the story chronicled by Elyse Schein and Paula Bernstein who learned as adults that they were twins. As writers and researchers, Schein and Bernstein uncovered the practices of the adoption agency and found other twin sets (and in one case a triplet set) all raised separately and included in the study.

In fact, Manohla Dargis of the Times used the same reviled name in her recent review of "Three Identical Strangers," a documentary about adoption gone way wrong. The film was on CNN, after a quick theater run last year, reviving the 1980 discovery by three young men that identical versions of themselves lived in the New York area.
