I stumbled upon the Encyclopaedia Arcane - Crossbreeding: Flesh and Blood, which was a guidebook for taking two monsters in the mm and slapping them together to see what hideous monstrosity you would get. Here are a few examples from there, and a couple other crossbreed races that I felt fit really well.

ENCYCLOPAEDIA ARCANE CROSSBREEDING PDF

While few hard and fast rules could be made, it would have been nice to receive some suggestions on how two or more crossbreeds can begin a new species. For intelligent creatures, favored class and alignment tendencies could turn out to be something different than either parent, although the logic should be evident.
